# ZONING INFORMATION

## Sec. 158.126. Service Commercial Zoning District (CS).

(A) Purpose. The purpose of the service commercial zoning district (CS) shall be to locate and establish areas within the City which are deemed to be uniquely suited for the development and maintenance of commercial service facilities to fulfill the general City-wide need for said facilities; to designate those uses and services deemed appropriate and proper for location and development within said zoning district; and to establish such development standards and provisions as are appropriate to ensure proper development and functioning of uses within the district.

(B) Permitted Principal Uses and Structures. The following principal uses and structures are permitted provided that all businesses, services, manufacturing, or processing of materials are confined within a fully enclosed building, except where noted, with no exterior emission of odors, fumes, dust smoke, vibration, waste liquids, or other substances:

- (1) Any permitted use in the (CG) general commercial district; unless specifically listed in the following subsection D, special exception uses.
- (2) Repair and maintenance of vehicles and equipment. No storage of vehicles shall be permitted outside of an enclosed building unless an area designated for such use is on the approved site plan and does not reduce the required number of parking spaces for the building.
