PROPERTY SUMMARY

Jeremiah Baron & Co. is pleased to present one of the biggest redevelopment projects taking place just off S Kanner Highway in Stuart, Florida.

Huge opportunity to join National brands! The proposed Baron Landings of Stuart will feature 4.85 acres consisting of three commercial outparcels. There is currently up to 7,000 sf available to lease. Future tenants include Starbucks, Heartland Dental, and Del Taco.

Site offers great frontage to a very busy highway that is only about a mile away from the I-95 access ramp, and less than 5 miles away from US Highway 1.

Located just across the street from recently developed Popeye's Louisiana Kitchen, RaceTrac, Autozone, Taco Bell, and adjacent to a proposed 7-Eleven location.

The City of Stuart sits along Florida's Treasure Coast as part of the Port St. Lucie MSA. The area features an economy driven by the retail service, hospitality, construction and government sectors. Stuart provides quick access to nearby metropolitan centers Fort Pierce and West Palm Beach via Highway 1. The city of Stuart is served by the West Palm Beach Airport, 40 miles away, Fort Lauderdale Airport 86 miles away, and the public use Latham Field Airport located across the street from the site.

DIVISION 5. - PLANNED UNIT DEVELOPMENTS

Sec. 3.241. - Purpose and intent.

The Planned Unit Development (PUD) is an alternative to the standard zoning districts in which the landowner and the Board of County Commissioners negotiate the zoning standards that will apply to a specific parcel of land such that the resulting development will be of superior quality and design while protecting the health, safety and welfare of the general public.

Sec. 3.242. - Applicability of standards of this article to PUD.

The zoning standards for each PUD shall be set forth in a PUD agreement, which shall be a written, mutual agreement signed by the landowner and the Board of County Commissioners. The PUD agreement shall include a master and/or a final development plan and shall comprehensively set forth all of the zoning standards that shall apply to the subject parcel of land and shall be approved pursuant to article 10.

Sec. 3.243. - Status of previously adopted PUD agreements.

All PUD agreements adopted prior to the effective date of this ordinance shall continue to be governed by the terms of such agreements. All PUD zoning designations shall be indicated on the Zoning Atlas.

Sec. 3.244. - Standards for PUD zoning agreements.

All PUD zoning agreements, as well as amendments to such agreements,

shall be consistent with the CGMP. Applicants for PUD zoning shall have the burden of demonstrating that the proposed PUD zoning standards will protect the health, safety and welfare of the general public to a greater extent than would have been possible pursuant to the standard zoning regulations set forth in this article.

Areas designated Agricultural on the Future Land Use Map shall not be eligible for PUD zoning.

Areas designated Agricultural Ranchette on the Future Land Use Map shall comply with all applicable policies of the Comprehensive Growth Management Plan. In particular, any PUD within the Agricultural Ranchette Future Land Use designation shall be consistent with the following:

The plan recognizes the primary value of these lands for small agricultural operations and open space, and, therefore, assigns reasonable development options consistent with the existing and anticipated agricultural character in the area. A density of one unit per five gross acres shall be permitted within the areas designated for agricultural ranchettes. However, residential development on these lands should be related to agricultural uses. These areas are situated in locations removed from urban services, have developed at very sparse densities, and maintain their original agricultural and rural character.
